

## Supreme Rice, LLC's Climate-Smart Initiative Application Overview

### Pre-Application

1. Submit the following documents via e-mail to [climatesmart@supremerice.com](mailto:climatesmart@supremerice.com)
  - Most recent 2 years' FSA 578 Producer Prints detailing crop type by field\*
  - Current calendar year's FSA maps detailing acres by Farm, Tract, and Field
  - Producer contact information (see attached form)
  - Intended acres to enroll in 2024 crop year (see attached form)
2. Once required documents are received and approved, applicant will be e-mailed login credentials for the grower portal to continue on to the next steps in the application process.

*\*First-year Producers with no prior 578 data, please e-mail the Pre-Application Producer Information form directly to [climatesmart@supremerice.com](mailto:climatesmart@supremerice.com) and indicate that there are no prior production reports.*

**Pre-application deadline is 5 PM CST 12/31/23**

### Application

1. After pre-application process has been completed, approved applicants will receive login credentials to the grower portal via e-mail.
2. Application information needed to be provided via the grower portal include:
  - Field-level application information
  - Field boundary file submission
3. Once all required documentation and information is submitted via the grower portal, only then will the applicant be evaluated for enrollment.
4. Once an application is approved for enrollment in the program, next steps will be available via the grower portal.
5. Approval for enrollment in the program is not a guarantee to the enrollee of any payment or compensation available for participation in the Climate-Smart Initiative.

*Any updates to the application process will be announced online at  
<https://supremerice.com/climate-smart>*
